

Why is it said that there is no smarter, “greener” way to clean?

- ✿ **Green Seal™ certified dry extraction cleaners**
- ✿ **Recognized as a Champion – EPA Safer Detergents Stewardship Initiative**
- ✿ **Water-based**
- ✿ **Same pH as skin**
- ✿ **Certified BioPreferredSM by USDA – 100% biobased**
- ✿ **Designated for Federal preferred purchasing**
- ✿ **No dry time = energy and money saved**
- ✿ **No wet surfaces = reduced slip and fall accidents**
- ✿ **No wet surfaces = control of microbial growth**
- ✿ **Removes mold**
- ✿ **Removes dust mites**
- ✿ **Removes cat dander and other allergens**
- ✿ **Made in EPA-registered facility**
- ✿ **Reduces chemical use**
- ✿ **Ergonomic machines designed to minimize effort and discomfort, maximizing efficiency**
- ✿ **Reduces energy use – no water heating, no a/c needed to dry the air**
- ✿ **Reduces facility water use – 100%**
- ✿ **Multiple functions from one machine**
- ✿ **Non-marring machine surfaces**
- ✿ **Re-usable machine filters**
- ✿ **Third-party testing proves that it works and that it doesn’t leave a residue to quickly resoil -- WoolSafe® Approved**
- ✿ **Keep carpet on the floor instead of in the landfill**
- ✿ **Eliminates toxic grout cleaning chemicals**
- ✿ **No other “green” cleaning chemistry has recycled content**
